

## Herts Nitro Model Club Drone Policy

Anyone wishing to use a drone at HNMC:

1. Must gain permission to fly from HNMC committee
2. Must fly within the CAA drone code:  
<https://register-drones.caa.co.uk/drone-code>
3. Must have adequate public liability insurance

Note - Insurance is available for recreational users via various drone organisations for very low annual fees (similar to how the BRCA cover users at the club while using the tracks)

For example:-

<https://www.dronecoverclub.co.uk/home>

<https://fpvuk.org/>
